

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately.**

**This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, please visit our website at [www.iiw.compusysut.com](http://www.iiw.compusysut.com). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at [www.iiw.compusysut.com](http://www.iiw.compusysut.com) or call 1-888-867-9510 to request a copy.

Important Questions	Answers	Why This Matters:
<b>What is the overall <a href="#">deductible</a>?</b>	For <a href="#">in-network providers</a> : \$2,500 individual or \$5,000 family For <a href="#">out-of-network providers</a> : \$5,000 individual or \$10,000 family	Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .
<b>Are there services covered before you meet your <a href="#">deductible</a>?</b>	Yes. <a href="#">Preventive care</a> .	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other <a href="#">deductibles</a> for specific services?</b>	No	You don't have to meet <a href="#">deductibles</a> for specific services.
<b>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</b>	For <a href="#">in-network providers</a> \$8,150 individual (\$6,310 medical and \$1,840 <a href="#">prescription drug</a> ) and \$16,300 per family (\$12,620 medical and \$3,680 <a href="#">prescription drug</a> ). For <a href="#">out-of-network providers</a> \$16,300 individual (\$12,620 medical and \$3,680 <a href="#">prescription drug</a> ) and \$32,600 per family (\$25,240 medical and \$7,360 <a href="#">prescription drug</a> ).	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
<b>What is not included in the <a href="#">out-of-pocket limit</a>?</b>	Balance-billed charges, non-covered charges, charges in excess of allowable amounts, and penalties for failure to obtain <a href="#">preauthorization</a> of services. In addition, the cost between a chosen brand and generic equivalent does not count toward the <a href="#">out-of-pocket limit</a> .	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .

[\* For more information about limitations and exceptions, see the plan or policy document at [www.iiw.compusysut.com](http://www.iiw.compusysut.com).]

<p><b>Will you pay less if you use a <a href="#">network provider</a>?</b></p>	<p>Yes (select OAP). See <a href="http://www.CIGNAsharedadministration.com">www.CIGNAsharedadministration.com</a>, <a href="http://www.CIGNA.com">www.CIGNA.com</a> or at 1-800-768-4695 for a list of <a href="#">network providers</a>.</p>	<p>This <a href="#">plan</a> uses a <a href="#">provider network</a>. You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a>. You will pay the most if you use an <a href="#">out-of-network provider</a>, and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays (<a href="#">balance billing</a>). Be aware your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.</p>
<p><b>Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a>?</b></p>	<p>Yes. Hearing aids must be <a href="#">preauthorized</a>.</p>	<p>This <a href="#">plan</a> will pay some or all of the costs to see a <a href="#">specialist</a> for covered services but only if you have the <a href="#">plan's</a> permission before you see the <a href="#">specialist</a>.</p>

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
